*No.* 88. *London, the 23rd March* 1867.

*To His Excellency the Right Hon'ble the Governor General of India in Council.*

SIR,—PARA. 1. I have considered in Council your Financial letter dated the 10th January last, No. 12, submitting, for favorable consideration, an application from Mr. M. J. Shaw Stewart, Bombay Civil Service, requesting that Civil Servants who, at the date of the publication of the Financial Despatch dated the 25th November 1862, No. 194, "were entitled to leave of absence on urgent private "affairs, and had not previously availed themselves of it, "should be permitted to count the time of such leave of "absence, when afterwards granted, as part of their period "of residence."

2. As special leave on private affairs was only to be granted by the several Governments in India on very urgent grounds, and could never be claimed as a matter of right, I do not consider that any officer can be held to have been "entitled" to such leave at any specified period, and I must decline to sanction a modification of the rule which provides that leave of absence, taken under Section 9 of the Civil Absentee Rules, shall not be counted as residence.

I have, &c.,
(Sd.) STAFFORD H. NORTHCOTE.

ORDER.—Ordered, that the foregoing Despatch be published in the *Gazette of India*, and that copies of it be forwarded to the Foreign and Home Departments, and [illegible] in continuation of [illegible] this [illegible] No. 147, dated the [illegible] 1867,

*To His Excellency the Right Hon'ble the Governor in Council, Fort St. George.*

MY LORD,—I have considered in Council your Revenue letter dated the 11th December last, No. 57, forwarding a memorial from N. C. Gopala Charry, late Treasurer in the Office of the Collector of Bellary, praying that he may either be allowed a furlough for one year in continuation of the two years' leave on medical certificate granted to him by your Government, or that those two years may be allowed to reckon as service qualifying for pension.

2. Both of the requests made by the memorialist are inadmissible under the Rules for the grant of leave of absence and pensions to Uncovenanted Servants in India, and I concur in the opinion expressed by you that there are no special grounds for relaxing them in his favor.

I have, &c.,

MILITARY.
*No.* 113.

INDIA OFFICE;
*London, the* 16*th April* 1867

*To His Excellency the Right Hon'ble the Governor General of India in Council.*

SIR,—I have received and considered in Council your Military letter dated 28th February 1867, No. 40, having reference to Lord Cranborne's Despatch No. 288 of the 24th December 1866, extending to all Officers of the Bengal and Madras Armies holding permanent appointments situated above Allahabad and north of the Kistnah respectively, the rule which allows Regimental Officers whose corps are similary situated to land at Bombay, and to enjoy, on reporting their arrival at that Presidency, the same advantages as they are entitled to on arrival at Calcutta or Madras; and suggesting for consideration further modifications of the existing rules affecting Officers proceeding to, or returning from, England on leave.

2. In consideration, mainly, of the improvement that has taken place in the facility for Officers to travel throughout India, your Government propose—

1*st*.—That the existing restrictive limit, as to the part of India whereat an Officer returning from England shall report his return to duty, be altogether removed, and that "an Officer's return be considered to commence "on the date of his report of arrival at whatever port "he may, in good faith, disembark with that object."

2*nd*.—That in order to place all Officers serving in India on a fair and equal footing, the present regulation may be so far modified, that "Officers who may be absent "on sick leave at other than their own Presidencies, "may proceed thence direct to Europe, if granted "leave on medical certificate by the local Govern-"ment, such leave being reckoned to commence from "the date of embarkation, or that on which the "pilot quits the vessel, as the case may be, accord-"ing to the practice of the Presidency from which "they embark."

3. I approve of the existing rules being modified in the manner proposed by your Government in both the above cases; the revised rule in the latter case being brought into operation from the date of publication of your General Order upon the subject, and made applicable to all Officers whose leave to Europe may be published in the *Gazette* upon a date subsequent to that order.

I have, &c.,

CALCUTTA,
*The 31st December* 1866.

E. E.,

C. S. HOGG,
*Administrator General.*

# The Calcutta Gazette.

WEDNESDAY, JUNE 12, 1867.

## Home Department.

### LEGISLATIVE.

THE following Bill was introduced into the Council of the Governor General of India for the purpose of making Laws and Regulations on the 29th May 1867, and was referred to a Select Committee with instructions to make their report thereon in a week:—

No. 14 OF 1867.

*A Bill to render penal certain offences committed by servants of Railway Companies.*

Preamble.

WHEREAS it is expedient to extend certain provisions of the Indian Penal Code relating to public servants to persons in the employment of Railway Companies; It is hereby enacted as follows:—

Interpretation clause.

1. In this Act "Railway Company" means the proprietors for the time being of every Railway or Tramway situate in the territories vested in Her Majesty or her successors under the Statute 21 and 22 Vic., Cap. 106 (*an Act for the better Government of India*), or (so far only as regards British subjects within the dominions hereinafter mentioned) situate in the dominions of Princes and States in the East Indies in alliance with Her Majesty or Her successors, and the lessees, representatives and assigns of such proprietors.

Railway Officers and servants to be "public servants" within meaning of Penal Code.

2. Every officer and servant of a Railway Company shall be deemed a public servant within the meaning of Sections 161, 162, 163, 164, and 165 of the Indian Penal Code.

Short Title.

3. This Act shall be called "The Railway Servants' Act, 1867."

STATEMENT OF OBJECTS AND REASONS.

The object of this Bill is to put a step to the bribing of Station-masters and other Railway servants, a practice which has lately increased, and which must obviously be injurious to the mercantile community as well as to the Railway Companies. The Bill, in order to effect this object, simply declares that persons in the employ of Railway Companies shall be deemed to be "public servants" within the meaning of Sections 161-165 of the Indian Penal Code. This declaration forms a section of a Bill now before the Council, for Consolidating the Railway Law of India, which has been submitted to the Boards of the various Companies. No objection has been taken to the clause in question: on the contrary, there is a general concurrence of opinion in its favour. The Bill extends to persons employed on all Railways and Tramways in British India, and also (as to British subjects) in the dominions of allied Princes and States.

G. N. TAYLOR.

SIMLA,
